Mag-tagz Giveaway: Much more than an accessory!

My daughter loves wearing jewelry! She likes looking through her jewelry box and finding the right piece to match her outfit of the day. When we're out at a store and she spots a new piece of jewelry, she's always telling me which outfit it will go with and why she needs it! Of course this adds up and can be quite costly, so when I came across [Mag-tagz](#), a line of interchangeable jewelry for girls, I was ecstatic!

[Mag-tagz](#) are so neat! They work with a magnetic base that let's you interchange the charms, or [Tagz](#) which come in two sizes. The bases are available in [small](#), which is the size of a penny, and [large](#), which is the size of a quarter. Both size bases are offered in the following lengths: a 16" adjustable choker, an 18" and a stretch choker that is available in a variety of colors!

My daughter has been thrilled that she can simply swap her [Tagz](#) to match her ever-changing outfits and moods and I am delighted that it's so easy for her to do so! One day she wants to match a particular color, the next day it's a particular design to go with her clothes. There are so many [Tagz](#) to choose from, your daughter will have fun collecting them! Why not trade them with friends for an ever expanding selection to choose from? New and [limited-edition](#) [Tagz](#) come out every few months, so there's always something different to try. What better way to store all of her [Tagz](#) than the fabulous [Daisy Storage Frame](#)? This 6" by 6" [Magnetic Daisy Frame](#) is adorable and includes 2 [Limited Edition Tagz](#)! It will keep all of the tags organized and easy to see. We love it!

How neat is this – Girls can play the "[Tag, You're It!](#)" game on their website. Players get started by entering the unique code found on the back of any tag, to get a clue. The goal is to collect four clues and figure out what the clues have in common. Players are encouraged to trade [Tagz](#) or information with friends to learn more clues. Once they know the answer, they can submit it online and be entered to win amazing prizes like a Nintendo Wii. As added incentive to play, everybody who enters to win receives a special-edition tagz just for participating.

Want to win some pieces from the [Mag-tagz](#) line? All you have to do to enter, is visit [Mag-tagz](#) and let us know which [Tagz](#) you like the most in the comment section in this post! One reader will win the following in our Giveaway: [small necklace base starter set](#), [large necklace base starter set](#), [stretch choker necklace base](#) and the [Daisy Storage Frame](#). *The Giveaway will run through Friday, May 22, 2009 and one winner will be selected at random and will have 48 hours to respond to our e-mail.*
